62		2400	(C) SUMMARY: TODAY 2d Bn 506th Inf. continued participation of the operation Jefferson Glen. TODAY 2d Bn 506th Inf. completed insertion of the Bn into the RAKKASAN AO, 2/506 TCC became NCS on RAKKASAN at 1615 hrs. Prior to the in- scriptions a medivac was called for D co, Gustaf 94 on station at 0817 and off station at 0828, the patient was taken to GAMED. Bde informed us at 1026 that all our airmoves must be reported as they happen instead in one complete package because of the AO change. At 1100hrs. a white & pink team was requested for D co, they are in contact. Both teams and ARA came on station on or about 1115hrs. At 1125 D co contact terminated. See item 29 concerning terminated AO extension 55-11. A LZ was cut today by A2/506, see item 30. In referende D co contact they were on a LZ awaiting a C/A when they took 4 to 6 RPG rds. followed by small arms fire

The size of the enemy was unknown. D co had 12 KIA and 3 KIA, see item 31, for the times of 2/500 insertions see item 32. Today there was also a new SOI change that went into effect at 2200 hrs. At 1918 hrs today we received an (URS) report that the element that found a cache (1/506 B co) at grid 429172 would be attacked, D co 2/500 is now in that vicinity. During the insertion today there was also a convcy in route to RAKKASAN, it arrived at RAKKASAN at 1222 hrs. Also today there was an airstrike put in for D co at grid 378251. This concludes main events for today.	BN S-3	JCW
